How it works

This card is issued to each student and corresponds to one level. The student keeps it at all times and presents it to the teacher at every recitation.

It sets an annual objective, broken down into intermediate objectives, themselves divided into weekly objectives.

Each weekly objective corresponds to one box:

- If the objective is met, that is the section is correctly recited, the teacher validates the recitation by writing the date in the box.
- If the objective is not met, the box stays blank. A new deadline for recitation is agreed with the student.

The card is read first down the right-hand half, from top to bottom, then down the left-hand half, from right to left and from top to bottom.
