How it works

This card is issued to each student and corresponds to one objective to reach. The student keeps it at all times and presents it to the teacher at every recitation.

It is divided into weekly objectives. Each weekly objective corresponds to one box:

- If the objective is met, the teacher validates the recitation by ticking the box.
 - If the objective is not met, the box stays blank. A new deadline for recitation is agreed with the student.
 - At the end of each surah, recite the whole surah and write the date of recitation before moving on to the next.
- The card is read horizontally, from right to left and from top to bottom.
